Council In Accord In Matter — Session Is Largely Given Over to Ordinances—Health Officer Asked And Gives Report of Visitation of State Official

North Charleroi Borough council met in special session last night. Members present were Messrs. Doerzbacher, Wolfe, Gaskil and Wildman.

Three ordinances were taken up and acted upon, passing two readings. They were, viz: An ordinance pertaining to the correcting of a deed and granting concession in reference to sale of the Salarie property to the Kramer Drug company; an ordinance establishing the grade on a portion of Lincoln avenue; an ordinance establishing regulations appertaining to the repairing of buildings and the maintenance of stables in the borough. These ordinances will be taken up at the next regular session of the body, on the first Monday evening in June, for third and final reading.

The regular semi-monthly bills for labor were taken up and ordered paid by the vouchers attesting.

Borough Engineer Phillips was present, and submitted plans for the proposed construction of a new Borough building and engine house Several locations were discussed, all of them being above the railroad. It was the consensus of opinion to sell the present structure.

The matter of the enforcement of certain borough ordinances in a more strict manner, was discussed, the proposition being referred to the proper officials.

The health officer was asked to give a report of the recent visit and inspection made by the state official from Harrisburg, who reported the borough in fair sanitary condition, adding in part, however, the necessity of better sewer facilities in the improved districts of Conrad and Center avenues.

Former Local Woman Is A Political Power

From the Moosup Journal, Moosup, Conn., we learn that a former Charleroi woman, Mrs. Lena Fletcher, daughter of Lawrence Cosner, 811 Shady avenue, and living here until six years ago, is a political power in Connecticut. Of the lady the Moosup journal says:

"Mrs. Lena Fletcher of Oneco, was elected by the Democratic State convention as the woman member of the Twenty-ninth Senatorial district on the State Central committee. Valentine Murphy of Willimantic being the male member.

"This is a very important position, and the women Democrats of Oneco are justly proud of having one of their members selected to take charge of the coming campaign in the towns of Windham, Scotland, Hampton, Chaplin, Pomfret, Brooklyn, Canterbury, Plainfield and Sterling.

"All hats off to Mrs. Fletcher; if you are a democrat, it is Mrs. Fletcher you will have to sing your tale of woe to in these nine towns.

"The honor also entitles her to a seat in the National convention in New York city, where 400,000 people are already hustling for 20,000 seats."

QUICK ACTION AVERTS ACCIDENT

What might have been a serious accident occurred at the corner of Fourth street and Fallowfield avenue at 11:20 last night, but for the quick action on the part of the motorman on the Westside Street car line, on bringing his car to a quick stop.

A Nash touring car turned into Fallowfield avenue from Fourth street, just as the street car was coming down Fallowfield avenue. Another touring car was parked along the street at this point and forced the driver of the Nash to turn his car nearer the street car tracks to pass. As he was attempting to do so the rear wheels of his car locked with those of the street car. The motorman of the car brought it to a sudden halt and the car was released. Very little damage was done, outside of the rear wheel of the automobile, which was badly scraped.

MARRIED 20 YEARS COUPLE ARE HONORED

In honor of the twentieth anniversary of their wedding, Mr. and Mrs. James Stevenson, wellknown residents of 408 Fallowfield avenue, celebrated with a reception last evening in the Masonic rooms of Fifth street. There were 50 couples in attendance, friends of Mr. and Mrs. Stevenson, who joined in making the occasion one that will long be remembered. Jenkins' orchestra furnished the music and dancing was much enjoyed in addition to card playing. The rooms, decorated with palms, ferns, and colored crepe paper, made a very pretty scene for the merrymakers and a most enjoyable evening was spent.

"When You and I Were Young, Maggie," sung by Mrs. L. E. Sands, of Bentleyville, delighted her listeners and was most appropriate for the occasion. Johnny Jenkins entertained with a number of his stories and jokes that were highly appreciated.

In the midst of the evening's program, A. A. McDonald, in behalf of the friends present, made a very fine presentation speech and in accordance with the custom governing wedding anniversaries, presented the bride

NINE CASES ARE REPORTED-- INCREASE OF 2

Harrisburg, May 20—State authorities have made arrangements to take command of the situation at Donora, Washington county, when nine cases of smallpox have been discovered, it was announced at the Health department here today. Up until this morning only seven cases had been reported but two new cases were found today, a colored man and a white man, Ed. Kirnis, who resides in Sycamore alley, located in the business section of the borough.

Five hundred vaccine points have been sent to Dr. E. W. Martin, the county medical inspector, who has been ordered to take full charge of the situation at present. The victims of the disease are being quartered in tents, which have been erected by an industry concern in Donora to be in charge of Dr. Dietrich of Ellsworth. The camp will be located on the Weddell farm, near Palmer park. Several of the victims have been in contact with hundreds of people recently and state health authorities said every possible step will be taken to prevent an epidemic there.

The smallpox outbreak has been traced to a negro, who came from Ohio, and failure of the physician to properly diagose the case. The negro afflicted is blamed for the present outbreak by Dr. Campbell. Local physicians called upon to treat the smallpox victims diagnosed their illness as chickenpox, so that the victims were permitted a great deal of liberty and were thus able to spread the smallpox.

PERSONS COMING IN CONTACT WITH SUFFERERS HELD

Donora, May 20—Because of the prevalence of smallpox here, a tent colony has been established to care for the 9 victims of the dread disease and the 50 persons, who have been placed under quarantine because of the contact with the sufferers. Guards have been stationed around the tent colony to prevent those who come in contact with smallpox sufferers from leaving.

More than 100 persons, who have come in contact with the disease, have been vaccinated.

Reviles Woman He Hits; Driver Speeds Away

Mrs. Mary Bendick, who resides in Factory street, First Ward, Monongahela, was run over and seriously injured by an automobile yesterday morning at 11 o'clock, near her home. Mrs. Benzick suffered severe internal [illegible] about the arms and body.

The accident occurred when Mrs. Bendick and several other women were going to the busines district. The party attempted to cross the street in front of an approaching automobile. All except Mrs Bendick reached the [illegible]. She was run over by the front wheels of the speeding car and dragged along the street about 75 feet.

The driver of the car stopped the machine. After reviling the prostrate woman the driver continued on his way up East Main street. Several pedestrians who witnessed the accident secured the license number of the car and turned it over to Chief of Police S. S. Burnworth.

The number secured was Pennsylvania license number 131-171 and an investigation of the state highway automobile license records, copies of which are on hand at the Municipal building, show that that license was issued to G. R. Echelberger, of York, Pa. Further investigation of the matter is being made by the police, who believe this number may be incorrect.

JUNIOR CLASS TO PRESENT "THE LIGHT"

As an opening feature of the Commencement exercises at California State Normal school, the Junior class will present the pageant, "The Light," on Wednesday, May 28, in the Normal auditorium.

"The Light" will be supported by a cast of over 200 students of the Normal and Training school. The main characters of the cast have been selected, and have been practicing daily for the past month under the direction of Miss P. M. Truby.

"The Light," an educational pageant, was written and first produced by Miss Catherine T. Bryce, assistant professor of elementary education, Yale University, before the department of superintendence, Cleveland, Ohio.

The pageant is well adapted to the stage, the stirring action, the tragedy, the comedy, all combine to make "The Light" a successful play.

Tickets are on sale at the Normal office, or may be secured from any student.

PICNIC TICKETS AT A REDUCED RATE

A special opportunity has been presented to the school children of Charleroi and vicinity, who intend participating in the Community picnic to be held at Kennywood Park, Wednesday, June 11, to purchase a number of amusement tickets to be used that day at a greatly reduced rate.

By special arrangement with the Kennywood Park Corporation, a strip of tickets valued at 65 cents will be sold for 30 cents, less than half price, and will be good on amusements as specified on the ticket. The committee in charge of this feature is also going to give an extra ticket that has a value of 10 cents, thus a strip of tickets valued at 75 cents will be able to be purchased for 30 cents. Each child may buy as many as they can afford, and all tickets will be in the hands of the various school principals. It is the hope of the committee to have the tickets distributed to the children before the close of school.

NO APPEALS WHEN FINES ARE PAID

Judge James I. Brownson So Rules In Blue Law Cases By Recent Decision of the Superior Court of the State

HE MAKES NO DECREE

Leonard C. Pegg, Who Has Been In Trouble Before, On a Plea of Guilty to Three Charges, Is Sentenced to Four Months In the Workhouse

Judge James I. Brownson in motion and rule court yesterday, upon presentation of five appeals from summary conviction, in cases involving violations of the law of April 22, 1794, commonly referred to as the Sunday Blue law, gave notice that under a recent decision of the superior court of Pennsylvania, there could be no appeal, while the fine and costs imposed had been paid, even though paid under protest. This was the case in the appeals presented.

The court, however, took the papers and directed that they be filed, but made no decree. The matter will likely be formally passed on later. The appeals were in the cases of the commonwealth against Alex Mike, E. E. Hileman, Gust Lantal and John Kalanaras, all convicted before Justice of the Peace S. C. Cole of Cokeburg, for violating the above law, by selling merchandise on Sunday. They were each fined $4 and costs, the penalty imposed by this law. The total paid by each of the defendants was about $17.

The cases in reference may be of interest to our readers, inasmuch as probably a portion of local business men who were fined in Blue law transgressions, appealed; at least we know of one firm who stated they appealed.

Leonard C. Pegg, a young man of this place on a plea of guilty yesterday to three charges, defrauding a hotel keeper, adultery, and surety of the peace, was sentenced by Judge James I. Brownson to four months in the Allegheny county workhouse. On the surety of the peace charge he was sentenced to pay the costs. On the adultery charge he was sentenced to pay the costs, fine of $50, and to undergo imprisonment in the workhouse for three months. For defrauding a hotel keeper he was fined $1 and costs and given one month in the workhouse.

Pegg has been in trouble before, having served time in the county jail. His wife is now back at her old home in England, having been sent there by the Red Cross, after Pegg had neglected to provide for her and her child. The present charges grow out of his action when he, under the name of L. C. Povey, and a woman

A physician was immediately called and the injured member given proper attention. The little girl is getting along very nicely.

PUT HANDBILLS IN RESIDENCES

Violation of certain ordinances and rules of the board of health is cause for complaint. Merchants having handbills distributed must insist on their distributors placing them in the residences—not merely thrown in yards, where they are very often blown back into the streets, adding to litter which accumulates, despite the vigorous efforts of the officials to keep the streets clean.

In another proposition dirt and refuse must not be swept from the sidewalks into the streets; and still further, paper, if burned, must be placed in wire baskets for the purpose, and not burnt with open fires. Garbage also must be sent to the dumping ground, and under no circumstances may it be burned or disposed of in the alleys, nor dumped into the sewers.

Persons known violators in this regards, will be prosecuted to the full extent of the law. People will obey the ordinances and rules in the respects named; civic pride should cause them to do so.

NOTICE.

For some time there have been flagrant violations of different rules and ordinances of the borough, such as apply to the sanitary conditions of the town. Some of the more flagrant cases are as follows: Bill distributors must see that they are put inside the house and not thrown in the yard to blow into the street; dirt and refuse must not be swept into the street; burning paper in open fire is dangerous, this must be burned in wire baskets made for this purpose; garbage must be sent to the dump and under no circumstances may the same be disposed of by dumping or burning same in alleys, nor dumping it in the sewers. The above rules were enacted for the safety of the citizens of Charleroi and all violators will be dealt with according to law.

SEVEN YEAR OLD CHILD HAS LEG SEVERED BY A FREIGHT TRAIN

Frank Stetz, aged seven years, son of Mr. and Mrs. Theodore Stetz, 1022 McKean avenue, lies in the Charleroi-Monessen hospital, with his life hanging in the balance as a result of being run over by a southbound freight train at 6:15 o'clock last night. The accident occurred near the car barns of the Pittsburgh Railways Company. The boy's left lef was so severely crushed that amputation below the knee was found necessary.

The lad was playing along the tracks at the time of the accident, and it is inferred he was drawn beneath the wheels of the train by the suction. He was removed to the local hospital, where skillful medical treatment is doing its best to save his life.

It is reported that the boy was playing ball with companions, and that the lad was drawn under the cars when he attempted to reach the sphere as it rolled upon the track.

COMMENCEMENT DAYS.

All over the land they are holding or preparing to hold the annual school commencements. Like a good many others around Charleroi, we realize that it's hard for graduates to feel that it isn't "the finish" instead of "the commencement," but they'll learn later on. Just now they are happy in the belief, as we were at the same age, that they are going to solve many of the problems that have been stumbling blocks in the path of the human race for years; that they are going to be able to cure a good many of the ills to which human flesh is heir. They know that millions have failed along life's highway, and fallen by the wayside, but they are, each one of them, sure that failure is not to have any part in their lives.

Do not attempt to swerve them from their belief. Go to the commencement, applaud their essays, their declamations and their musical numbers. Clap your hands enthusiastically, just as though you hadn't been through the same thing, just as though you didn't know how important a boy or girl feels at their age. Don't unhitch their wagons from the stars to which they have tied them. Let them go on as they are—there's going to be sorrow and trouble and turmoil enough in their lives later on. Let them be happy as long as they possibly can.

And as for saving the world, let them go on feeling they were put here to help bring it about. For, after all, they're going to have a pretty generous hand in it, even though they don't realize now how hard their part of the fight is going to be later on.

Linn Underwood, colored, of Donora, charged with assault and battery, on oath of Dorothy Washington, was, upon a plea of guilty, fined $25 and costs. He had some differences with the prosecutrix, to whom he had been paying some attentions. He accosted her in the Star theatre at Donora, asked her to return with him to Pittsburgh, and when she refused he pulled her out of the seat and struck her with his fist. After the trouble in the theatre he escaped in a taxi, being arrested while on his way to Monongahela. Gust Geater, colored, who was with him, who was in the taxi also, was found to be carrying a gun. On his plea of guilty to that charge he was fined $1 and costs and sent to jail for 60 days.

IN MEMORIAM.

In loving memory of our dear father, William H. Wreath, who passed away one year ago today, May 20, 1924

Oft and oft our hearts do wander,
To a grave not far away;
Where we laid our dearest father,
Just one year ago today.
This day brings back sad memories
Of our loved one, gone to rest;
And those who think of him today,
Are the ones who loved him best.

Pirates Defeat Giants In Opener Of Series

The Pirates defeated the Giants on Forbes Field yesterday, thereby ousting them from the lead. The game was won on a triple by Walter Maranville while the rain poured. The score was 6-3.

Can you imagine a crowd roughly estimated at from 12,000 to 14,000 attending a ball game in such weather as prevailed yesterday afternoon, and on a Monday, too?

It simply goes to show what a wonderful attraction are the Giants. Even back in the war year when the big leagues closed shop on Labor Day, the Giants invariably packed Forbes Field.

The Giants always fight, always hustle, and the average Pittsburgher McGraw's club draws such big crowds.

And the only way to beat such a club is to fight them back just as hard. It has been said in some quarters that the Pirates of today lack the fighting spirit of teams led by Fred Clarke, himself a player of the old school, and also a fighter.

The Buccos have won the first game of the series and they can win the other two if they will clench their teeth and get out there and battle. There must be no let up.

JACK ZIVIC MUST WIN OR START OVER AGAIN

If Jack Zivic is unsuccessful in his bout at Motor Square Garden next Monday night with Ray Mitchell of Philadelphia, his chances of getting into the select circle of champion fighters will have been shot to such an extent that he will virtually have to start at the bottom—where he started before—and fight himself back to the top.

That is the admission of Zivic's handlers, including none other than the celebrated Jimmy Bronson, his manager, who realizes, probably better than any one else that two defeats at the hands of Mitchell would put Jack back at least a year, maybe longer.

Zivic, therefore, is working like a Trojan in preparation for the bout and has been working, in fact, since the match was made last week by John McGarvey. The Lawrenceville lightweight is anxious to beat Mitchell so decisively that there will be no question as to superiority, and having felt the sting of Mitchell's mitts in their first meeting here several weeks ago, he just about knows what he is up against.

"I'll be in the best shape of my career next Monday night" Jack is quoted as saying. "This bird got one decision over me, all right, but he'll never get another—in fact, he'll be lucky if I don't put him away before the limit. I know his style now and you'll see me fighting a different fight than I did before."

Zivic is anxious to put the Philadelphia away—which is some task when his record is given a glance—just to demonstrate beyond any possibilty of doubt that he is Mitchell's master. But by the same token, Mitchell is anxous to stow Jack away, for it means a lot to him, especially in view of his brilliant victory over Sid Barbarian in Detroit recently. A knockout over Zivic would immediately establish Mitchell as a leading contender for Benny Leonard's crown and, naturally, would mean much in a monetary way to the Philadelphian.

WILL ATTEMPT TO MEET THE RICHARD KELLY AGGREGATION

The Pirates are not the only baseball team having trouble. The Charleroi club has made unsuccessful efforts to start the season here this spring, only to have Jupiter Pluvius intervene. The weather man is not optimistic of the elements today and tomorrow, and it may be that the scheduled contest between the locals and Richard Kelly's Pittsburgh team will be another postponement. The game is presumed to be played at 5:30 o'clock, and will be, if the grounds and the weather permits.

Beatty and Gannon will be in the points for Charleroi.

Prominent Sharon Druggist Gives Expert Testimony

Tells of Actual Results Patrons Have Received, and of Their Statements to Him

RECOMMENDATION IS UNQUALIFIED

Declares Sulac To Be a Splendid Remedy for Stomach, Liver and Blood Troubles.

Other Druggists Over Wide Territory Are Having Similar Experience With This Remarkable New Remedy

Druggists in every section of Pennsylvania who know Myer Collins, prominent Sharon druggist, will be interested in the experience he has been having with a new remedy for stomach and kindred troubles. Druggists, naturally are skeptical when asked to order a new medicine. They are used to having salesmen tell them that their medicine is the best in the world. So when they find that a medicien is all and more than was claimed for it they are both surprised and delighted.

Mr. Collins very frankly says that when he was asked to place a trial order for Sulac he thought it was just an ordinary medicine. The one thing that made it stand out was its record of sales in otehr. So like the progressive but careful business man that he is he ordered a comparitively small quantity. Somewhat to his surprise the people who bought the first of it came back for more. By the time they had taken two or three bottles they commenced telling him of the good it was doing them. This started him to investigating, and he has written the manufacturers the following statement:

"About two months ago I took the agency for Sulac, and I must say that it is a splendid remedy for Stomach Liver and Blood complaints.

"Nearly every day people come into the store asking for a good remedy for the above complaints, and I always recommend Sulac to them. I find that the results are remarkable, and that the people who have tried it recommend it to their friends.

"Personally, I have found it to be a product of real merit, and am glad to recommend it.

(Signed) Collins Drug Store.
(By) Myer Collins, Proprietor."

When food doesn't digest and lies like a lump of lead in your stomach, generating foul gases, bad breath, and a bloated short-winded condition, it is no wonder you get no good from the food you eat, or that you grow pale irritable, sleepless and headachy. Constipation, heart-burn, loss of appetite, restlessness, stomach catarrh, gastritis, and acute indigestion, and even more serious complications arise eventually if neglected. It is for these distressing complaints that Sulac is especially recommended, and if you will give it a fair trial you will find that it is all that is claimed for it. In fact if you take six bottles and are not satisfied with the results your druggist is authorized by the manufacturers to refund your money. Sulac is sold in Charleroi by Henning's Drug Store.

PRESIDENT NOT TO VETO THE TAX MEASURE

Washington, May 20. — President Coolidge will not veto the tax bill despite passage of the $4,000,000,000 soldier bonus bill over his veto, according to word reaching the capitol today.

With the bonus actually a law administration leaders showed a tendency to drop talk of a veto of the tax measure because of the added drain imposed on the treasury by the measure.

Their view is that Mr. Coolidge had better approve any tax bill that Congress sends him and get the tax question out of the way as a campaign issue, and they will urge this on him.

If more revenues are needed later to meet the added annual charge of about $152.000,000 imposed on the treasury by the bonus, special taxes can be levied later, rather than to try to revamp the present tax measure, it is felt.

A birthday party was held at the home of Mr. and Mrs. Frank Riva of Fallowfield avenue last evening in honor of their daughter, Dora's eighth birthday anniversary. What one Woman learned 35 Years ago

Years ago when the first spoonful of Calumet Baking Powder was used, one housewife learned the secret of success on bake-day. She found that what she had thought bad luck in the past was really the fault of inferior leaveners.

Over a third of a century has passed since that housewife experienced the perfect results that came from using

The Economy BAKING POWDER

A pound can of Calumet contains full 16 ounces. Some baking powders come in 12 oz. cans instead of 16 ounce cans. Be sure you get a pound when you want it.

Today millions upon millions have realized the same satisfaction that goes with using a perfect baking powder.

Calumet has more friends than any of the other brands on the market today—women who after one trial found that for uniform, wholesome bakings it has no equal.

Don't forget that a few cents worth of unreliable baking powder can ruin several dollars worth of other ingredients used in baking. Use the best and know what the results will be.
